MONTE ROOM

The Monte room is a bright room overlooking the Japanese garden to the rear of the hotel. It has two walls completely lined with windows and enjoys comfortable direct access to the garden. The walls and ceiling are embellished with mouldings and stuccowork, and panels in cool shades of pale blue and cream. The Monte room can accommodate up to 60 people for a business lunch or gala dinner, made even more delightful by the atmospheric lighting that illuminates the garden. The Monte room is equipped with a screen for projections, WI-FI connection, air-conditioning and telephone sockets.
